BUREAU OF LAND PROTECTION AND LAND REUSE
CHIEF OF THE BUREAU CHIEF

FEB 05 2010

January 28, 2010

To Whom It May Concern:

The proposed Class 4 Streamflow Regulation is unnecessary and a bad idea that will have many ecologically adverse effects. Please remove that particular class from the proposal. Feel free to contact me with any questions that you may have @ chrisrandall@newhavenlandtrust.org.

Sincerely,

Chris Randall

President, New Haven Land Trust
